## PERSONAL PROJECTS

### Trello Clone

- Trello is the flexible work management tool where teams can ideate plans, collaborate on projects, organize workflows, and track progress in a visual, productive, and rewarding way.

### Kids Drawing App

- We can draw anything on the screen and also add images from our device to the app while drawing.

### Sleep-Tracker App

- In this app we can check our sleeping time and rate it on a scale of 0-5. Uses Room Database and RecyclerView.

### UnScramble Game

- Unscramble is a single player game app that displays scrambled words. To play the game, player has to make a word using all the letters from the displayed scrambled word.
